

## LI-20 Premier

### Male Conical Prism

The LI-20 is a prismatic panel with a 1/8" square base male conical prism placed parallel and perpendicular to the length and width of the panel. The LI-20 is our newest specification panel, it offers excellent brightness control and a soft surface appearance. Available in acrylic only. Recommended thickness is .140" for 2' x 4' panels and .165" for 4' x 4' panels.
