

# Reflect-Acryl

## Mirror Finished Panels

Reflect-Acryl mirrored panels possess all the beauty and appearance of glass plus the added features of acrylic, which makes these materials easy to cut, bend and install. Reflect-Acryl can be used on ceilings, walls or any place where a reflective ambiance is desired. Our inventoried colors are standard mirror and gold-tint mirror; in addition, several other colors are available in both acrylic and polycarbonate on a special order basis and are subject to minimums. Call for details.
